

# CHIOMONTE, CAPPELLA DI SANTA CATERINA

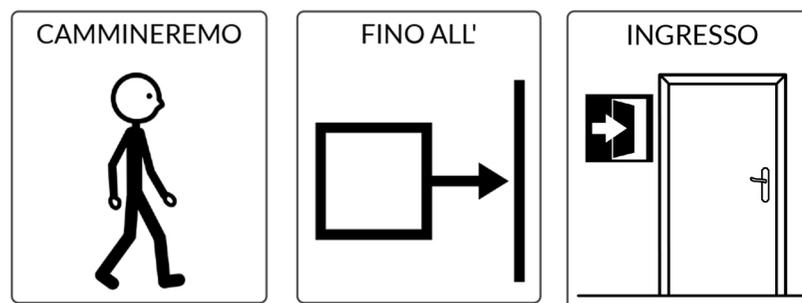

L'obiettivo di questa storia è supportare i nostri visitatori nella comprensione di ciò che accadrà durante la visita alla Cappella di Santa Caterina.

La storia "Chiomonte, Cappella di Santa Caterina" anticipa ai visitatori con bisogni speciali che cosa vivranno durante l'uscita, aiutandoli a comprendere una situazione nuova, abbassando i livelli di ansia e dando loro degli strumenti per essere protagonisti attivi dell'esperienza.

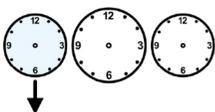

Questa storia è personalizzabile: all'interno del testo troverete degli spazi vuoti, in cui possono essere inserite le foto del visitatore con bisogni speciali, degli accompagnatori, degli amici o i simboli predisposti nell'ultima pagina, già pronti per essere ritagliati e incollati.
